The State Council on Developmental Disabilities (SCDD) has budgeted \$20,000 per Area Board to be awarded as Cycle 35 Program Development Grants that address unmet needs in that catchment area based on Goals and Objectives of the Area Board and State Plan. Area Board 12 has chosen to focus the grants for 2012-13 on **a maximum of two projects** that focus on either:

- Home Ownership for people with developmental disabilities, or
- Educational Transition Services for youth with developmental disabilities.

Preference will be given to projects that:

- are collaborative
- address underserved populations
- have built in assessment of outcomes and as-needed follow-up
- can be replicated or serve as models

Projects should focus on one or more of the following counties: Mono, Inyo, San Bernardino and Riverside and serve people with developmental disabilities under the federal definition.

The funding for the Grants is being provided through the SCDD's Community Program Development Grant (CPDG) program for Federal Fiscal Year 2012-13. Any project that is funded needs to be completed by September 30, 2013.
